INTERMEDIATE SKILL LEVEL

Designed by Brenda E. Kocher

Celebration!

Course Description

Striking shades of aqua, turquoise, citrus, and apricot compliment Needle Necessities beautiful overdyed “Mercy’s Spring Bouquet” (Threadworx “Wildflowers”) to capture the lovely colors of the tropics.

If the tropics aren’t “your” colors, there are four different colorways available, including Autumn (peach/brown), Meadow (green/rose), Terra Cotta (blue/peach) and Williamsburg (blue/mauve).

Numerous threads and stitches will allow the student to explore various techniques with emphasis on the use of a laying tool to perfect the look of the stitch and learning the art of creating a mirror stitch.

Time will also be spent learning how to properly lace canvas to stretcher bars to create a drum tight work surface.

This three-day class has been designed for the intermediate level stitcher.

The kit fee is \$145.00 and includes 18 count mono canvas, Splendor Silk/Soie Cristale Silk Threads, Mandarin Floss, Treasure Braid, Anchor/DMC Floss, Needle Necessities/Threadworx Wildflowers, Perle Cotton, Pearlescent Effects, Seed Beads, stretcher bars, and instruction book.

The finished size is approximately 8” x 12”.
